CAP SUMMER SCHOOL (UK) CREATIVE FUTURES

The overarching theme of the CAP Summer School is *Creative Futures*, which takes students to the very heart of art and design learning. This intensive two-week programme of fashion, art and design study introduces young aspiring designers to the creative arts and the development of an exciting portfolio of work. This is delivered through a series of specialist workshops focusing on the realisation of experimental concepts across a broad range of creative subjects.

The Summer School Programme includes:

Art and Design:

- portfolio development
- primary and secondary visual research
- life drawing and fashion illustration
- mood boards
- 2D and 3D design realisation and presentation
- product development
- visits by professional artists and designers

Excursions and Cultural Visits:

- museums
- art galleries
- major London landmarks
- leading creative arts universities in the UK

English support will be offered throughout the summer programme.

PROGRAMME REQUIREMENTS:

Participants: 13 to 18 years of age. All classes are taught in English. Applicants whose first language is not English should note that they are required to be proficient in spoken English and be able to participate in group discussions. As a guideline we would recommend an IELTS score of 4.5.

COURSE FEES: £4215

Fees include tuition, full board, excursions, cultural visits and VAT. (Please note, ISCA has absorbed 50% of the VAT increase)

Arrival Date: 6 July 2026

Departure Date: 19 July 2026
